**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a TC resident and am a customer of the Tega Cay Water Service

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

It is insane to raise the price of water and sewer. It's already high enough and for those people/families who are struggling to just to pay their bills, this will make it harder on them. People are already moving out of Tega Cay because of taxes and now even more will move due to high water cost. I, for one, struggle to pay bills, and just making them higher hurts not only me and my family, but everyone in this city.

**3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? \***
